

Three ways to Support your JBS PTA NOW!

1. Become a Member!

Please be on the lookout for our Updated Membership Forum! We will have an updated way to join on our website as well as being able to mail in your membership forum. Remember, just because you join does not mean you have to spend tons of time volunteering. Being a member gives you the opportunity and ability to vote on matters throughout the year, as well as being a member of the National PTA which is the largest child advocacy group!

2. Join us on Social Media!

Please like us on Facebook, Slney PTA, as well as visit our updated website, www.jbslineypta.org, to stay up to date with everything our PTA is doing as well as important information and meeting reminders.

3. COLLECT BOXTOPS!

Collecting Box Tops is easier than ever now and for every Box Top, our PTA receives money. Please consider downloading the Box Tops for Education app and scanning all your receipts that you get to see if there are eligible items. Every single one makes a difference and adds up to a lot for our school.
